#### TIMMONS.

TIMMONS, March 31.—On Friday after-noon at 1 o'clock the spirit of Mr Will Harris passed from earth and entered into peace eternal. He had been seriously sick with pneumonia for two weeks, and all that loving hands could do to relieve him was done; but the all-wise Father saw fit to take him, and we can only say, "Thy will be done." Death came as a sweet messenger from heaven on the wings of love, to relieve him of his sufferings and take his spirit home. He had been a member of the Christian church for several years, and was a true christian, a good man, and a kind neighbor, and a devoted father. He will surely be missed in our commu-nity. It was indeed a sadday for those children, when they saw the earth close over the form of their dearest and best lis, house and lot in 13th civil district, earthly friend. May God bless his \$575 three sons and daughters, that they may strive to meet with him on the esti other shore.

CEDAR CREEK, April 1.-A gloom has been cast over this community by the death of Mrs. Maggie Gilliam, wife of John Gilliam, who died last Monday night at her home in Jones' Bend, after a long and painful illness with con-sumption. She was well known in this community, and was liked by all who knew her. She was a member of the Christian church. Elder William Morton conducted the funeral services, and the interment took place at the Beard graveyard.
